TOPPE SCHOLARSHIP ANNOUNCEMENT FOR STUDENTS

Emerging Professionals

Calling All Students

Could you use an additional \$1000?

Apply for the Toppe Scholarship Today

Deadline: November 15th

This scholarship is intended to support students who have demonstrated academic excellence and community leadership in fields relating to sustainability and the built environment, consistent with USGBC's goal of making green buildings available to everyone within a generation.

This scholarship is available to students who are members of the Florida Gulf Coast Chapter or USGBC Students and reside in the Chapter territory.

Goal is to award each branch a \$1000 scholarship
(based upon qualified/multiple candidates)
